Certification

Our company expressly acknowledges that U.S. export controls apply to transactions outside the United States. We fully acknowledge and agree to comply with all applicable U.S. export control requirements.

We further acknowledge that the installation of certain GPUs or Advanced ICs into the SUPERMICRO products can change the regulatory restrictions on such modified products. Specifically, computing equipment containing an IC with a **'total processing performance' of 1600 or more** may be subject to additional restrictions based on the destination country or the headquarters country of the parties.

I certify that the foregoing representations true and correct to the best of my knowledge. I further certify that I have the lawful authority to sign this document on behalf of the below listed company.
