

STRATEGIC BROKERAGE & COMMISSION PROTECTION AGREEMENT

This Strategic Brokerage & Commission Protection Agreement ("Agreement") is entered into as of _____ ("Effective Date") by and between:

Chief Negotiators LLC ("Chief Negotiators")

and

_____ ("Partner Company")

Collectively referred to as the "Parties."

1. PURPOSE

The purpose of this Agreement is to establish the terms governing strategic brokerage collaboration, business introductions, transaction facilitation, commission structure, and non-circumvention protections between the Parties in connection with infrastructure, hardware, AI, data center, networking, software, and related technology transactions.

2. INTRODUCED RELATIONSHIPS & OPPORTUNITIES

Chief Negotiators may introduce Partner Company to customers, brokers, suppliers, buyers, channel partners, strategic opportunities, inventory sources, or related business relationships considered proprietary to Chief Negotiators.

For purposes of this Agreement, an introduced opportunity shall include any customer, transaction, broker, supplier, or business opportunity brought forward, sourced, facilitated, identified, introduced, or originated by Chief Negotiators, regardless of whether Partner Company previously knew of, communicated with, or had an existing relationship with such party.

Partner Company acknowledges that such introductions, opportunities, and relationships constitute valuable business goodwill and agrees not to circumvent, bypass, avoid, or otherwise exclude Chief Negotiators from related transactions or opportunities.

3. COMMISSION STRUCTURE

Partner Company agrees to pay Chief Negotiators a continuing commission equal to:

ONE PERCENT (1%) of the Gross Transaction Value

for all transactions, purchases, renewals, expansions, extensions, affiliated transactions, or related opportunities arising from customers, brokers, suppliers, buyers, opportunities, or business relationships introduced, sourced, facilitated, or brought to Partner Company by Chief Negotiators.

This commission obligation shall apply regardless of whether Chief Negotiators is directly involved in the final transaction process.

4. GROSS TRANSACTION VALUE

"Gross Transaction Value" shall mean the total invoiced, billed, paid, financed, or otherwise contracted value of products, hardware, software, services, subscriptions, infrastructure, maintenance, renewals, commissions, or related consideration associated with the applicable transaction prior to deductions for costs, expenses, overhead, taxes, or internal allocations.

5. PAYMENT TERMS

All commissions owed to Chief Negotiators under this Agreement shall be deemed earned only upon full collection of customer funds related to the applicable transaction.

For clarity, partial deposits, staged payments, prepayments, or interim funding events shall not trigger commission payment obligations until the full transaction amount owed by the customer has been received and collected by Partner Company.

Partner Company agrees to remit all commission payments owed to Chief Negotiators within five (5) business days following full collection of customer payment associated with the applicable transaction.

Payments shall be made via ACH, wire transfer, or mutually agreed electronic payment method.

6. NON-CIRCUMVENTION

Partner Company agrees not to directly or indirectly circumvent Chief Negotiators in connection with introduced customers, broker relationships, introduced opportunities, strategic partnerships, vendors, channel relationships, affiliates, subsidiaries, contractors, or related entities.

Circumvention includes, but is not limited to bypassing Chief Negotiators to avoid commissions, restructuring transactions to reduce commission obligations, utilizing third parties to avoid compensation obligations, or materially concealing transaction activity associated with introduced relationships or opportunities.

7. CONFIDENTIALITY

Both Parties agree to maintain the confidentiality of all non-public business, pricing, customer, vendor, operational, strategic, and financial information exchanged in connection with this Agreement.

Neither Party shall disclose confidential information to third parties except as required for legitimate business operations or by law.

8. TERM & SURVIVAL

This Agreement shall remain in effect for an initial term of twelve (12) months unless terminated earlier in writing by both Parties.

Notwithstanding termination, all commission, non-circumvention, confidentiality, and payment obligations relating to introduced relationships and opportunities shall survive for twelve (12) months following termination of this Agreement.

9. INDEPENDENT CONTRACTOR STATUS

The Parties acknowledge and agree that Chief Negotiators is acting solely as an independent contractor and strategic business partner. Nothing contained herein shall be construed to create a partnership, joint venture,

employment relationship, or fiduciary relationship between the Parties.

10. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

11. ENTIRE AGREEMENT

This Agreement constitutes the entire understanding between the Parties and supersedes all prior discussions, negotiations, understandings, or agreements relating to the subject matter herein.

Any amendment or modification to this Agreement must be made in writing and signed by both Parties.
